Richard Mather : Bay Psalm Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Bay Psalm Book:

1 of 1 people found the following review helpful. I am glad I bought itBy Shade Tree CookCheap price, cheaply done. The covers, binding are cheaply done. Much of the print is blurred. Difficult to read. I can read it because I know the

scriptures. A novice to the Bible would have a difficult time reading this. I am glad I bought it. I will also purchase another edition of the Bay Psalm Book but not this particular book.0 of 0 people found the following review helpful. My husband is a direct descendant of Richard Mather. ...By CustomerMy husband is a direct descendant of Richard Mather. We look forward to providing this copy as a gift to a family member.1 of 1 people found the following review helpful. Review of Bay Psalm bookBy jbrown_14105I received this book in good condition from the shipper.The content of this book was exactly what I was looking for in this reproduction of this Psalm book of 1640.It would be a good addition to a Pastor's book collection, and also gives insight on the thought of 1640.I am pleased to have this in my reference book collectionJim Brown

The first book written and printed in the New World, The Bay Psalm Book holds a unique place in our cultural and religious history. Richard Mather and a group of his fellow New England clergy transcribed biblical psalms into metered verse. In 1640, just 20 years after the Mayflower landed at Plymouth Rock, they printed 1700 copies in Cambridge, Massachusetts. Originals of this edition are extremely rare-only ten are believed to exist-and needless to say are not readily accessible to the general public. With this faithful reproduction of that first edition, one of the most important books ever published in America will finally be available again to a modern audience.

About the AuthorRichard Mather was born in Lancashire, England in 1596. He was ordained a minister in 1620 and migrated to New England in 1635. In 1636 he took a ministry in Dorchester, Massachusetts and stayed there until his death in 1670. He was the principal translator and editor of the Bay Psalm Book.
