From Beckett Media : Beckett Autographs Price Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Beckett Autographs Price Guide:

0 of 0 people found the following review helpful. Five Stars By Peter Lamana An excellent price guide, as expected from Beckett. 1 of 3 people found the following review helpful. fair but too expensive By Charles V. New I was under the impression this had what the autographs were currently worth, that's why i ordered this \$33 dollar book, i have many autographs and wanted to get an idea of what my collection was worth. My mistake, other than that it's a fine publication.

Beckett's Autograph Price Guide is a must have for any serious autograph collector. With autograph photo examples of almost every Hall of Famer from every major US sport this guide is the most comprehensive photo reference guide on

the market for sports autographs.
