Good conditionBy Joe Bought this used and found it to be in great condition for a much cheaper (and more reasonable) price than a new guide.0 of 0 people found the following review helpful. Five StarsBy Skanks01 Great book of facts. Very pleased2 of 8 people found the following review helpful. What a waste of moneyBy George M Klopping If anybody out there can figure out the price of their hockey cards with this thing, let me know. It's totally confusing and a complete waste of money. If you're looking to see a specific

value for a specific grade of a specific card, forget it. It doesn't exist here.
