From Beckett Media LLC : Beckett Racing Price Guide (Beckett Racing Collectibles) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beckett Racing Price Guide (Beckett Racing Collectibles):

3 of 3 people found the following review helpful. Beckett Racing Collectibles Price Guide 2014 By Michale D Ballard This is as far as I am concerned the only price guide that I have used and the only one that I will ever use for my diecast collection. for a period of time it was not being printed and I was at a loss for an accurate and timely guide to keep track of the current value of my current collection of over 200 Elite Nascar diecast's. If you are a collector of anything sports related and you want to know the current market value check Beckett out to see if they offer a price guide for your collection. You will not be disappointed !!! 2 of 2 people found the following review helpful.

EXCELLENT GUIDE
By Kindle Customer
Been collecting for what seems like forever (1950s) and Beckett continues to provide the most accurate, latest up to date prices in the market for my needs of baseball, football, and NASCAR. Easy to read and ease of identifying the multitude of various cards with only slight differences in what appears to be the same card series yet are so different that it can make the difference in the value in a giant way. Beckett continues to be the 'leader of the pack' in pricing guides available today. 0 of 0 people found the following review helpful. Great guide to collect!

Bought this since my husband is into Nascar! He didn't have this 2014 and he was glad to get it. Nice price guide--Now if we could get a hold of the 2015 edition!!

The # 1 Authority on Collectibles 24th Edition 2014
