Sadly it seems that stamp collecting is a dying hobby, but has been discovered by a new generation perhaps!1 of 1 people found the following review helpful. Great starter sets for stamp collectingBy Music HealerBought two of these for grandkids last Christmas (ages 5 and 7). We've had many hours of fun/education together. With some assistance from Grandma they have a good start on what I hope will be a life-long hobby.0 of 0 people found the following review helpful. beginnersBy Carla stefantrying to interest daughter of son in history through stamps with out any luck so far, but not ready to give up!

A perfect introduction for novices — and fun for all! — this mega-set provides everything a beginner needs: an illustrated album with room for over 1,000 stamps; a guide booklet that explains how to build and care for a collection; a catalog listing hundreds of historic stamps available for purchase; a magnifying glass; adhesive hinges for mounting stamps; and a starter pack of 25 real U.S. postage stamps.
