A momento and gift from a more neighborly ageBy FarmerWannabeA most poignant work at this time when talk of walls has become respectable, even fashionable; a magnificent celebration of the vast open border between the US and our closest sister and best neighbor.My own experience with this book goes back to the late 70's when I first encountered it in the University of Maine library. I recall that it could not be checked out, but was available for enjoyment in the main reading room. A few years later, my appreciation of the wonderful open border grew as I entered Canada on a dirt road through a potato field in northern Maine. There was only a small shack on the side of the road, and a sign requesting that you please sign in if you planned to be in Canada for more than 48 hours.... different times, and far better, to my thinking.So sad to see this fine book and thoughtful gift from the people of Canada being sold for a pittance, but a magnificent reminder of a more neighborly age.0 of 0 people found the following review helpful. Beautiful photographyBy J. Gordon ColfordI have bought a copy of this book for each of my siblings. It's a beautiful remembrance of the relationship between the US and Canada, love the photographs.1 of 2 people found the following review helpful. Thank you Canada, for this book!By Dan LehmanI will echo Linda Burger's praise for this lovely, big, rich book,and say simply that while the new price might be mighty dear,the Marketplace has copies for less than can be shipped by MediaMail (7cents + \$4 Published in 1976, Between Friends/Entre Amis was Canada's gift to the United States on its bicentennial. McClelland Stewart's press run was the most ambitious Canadian publishing project to that time, and the book received outstanding praise. It has been out of print for many years. A special Presentation Edition was run for American dignitaries. Pierre Trudeau and Lorraine Monk personally gave President Ford his copy in a Washington ceremony. Twenty five years later, there are 75 copies of this special edition, which was never available for sale in the U.S. or Canada. Each will be personally signed by Lorraine Monk, and is handsomely slipcased. Each copy is \$595.00, normal trade discounts apply.

Language NotesText: English, FrenchAbout the Author Lorraine Monk, Officer of the Order of Canada and founding Executive Director of the Canadian Museum of Photography was, from 1960 to 1980, the Executive Director of the Still Photography Division, of the National Film Board of Canada. She is the recipient of 2 honorary doctorates (York University, Doctorate of Letters, and Carleton, Doctor of Literature), and many other honours, for her contributions to Canadian photography.
