**John Taffin : Big Bore Sixguns** before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Bore Sixguns:

0 of 0 people found the following review helpful. Very informative, both historically and technically. Clearly, ...By Ron P.Very informative, both historically and technically. Clearly, a lot of the information is outdated when referring to current manufactures of products, but the insight Taffin exudes is tremendous.1 of 1 people found the following review helpful. Great Refence For Lovers Of Large Caliber RevolversBy Mike HolmesGood book on large caliber revolvers. Should be in the library of every big bore enthusiast.1 of 1 people found the following review helpful. Big Bore Sixguns by John TaffinBy CENTURIONI choose this rating because John Taffin is "The Dean" of handgun writers. He is an excellent wordsmith, and very knowledgeable of his subject matter. I would highly recommend this book to both the experienced and novice hand gunner.

Follow the development of the big bores from model to model in this fascinating study. More than 300 photos provide fine details about the pioneering sixguns, as recognized firearms authority John Taffin relates the influence these guns have had on each other and the field of competitive shooting.
