They should hire a professional, not a cataloging photographer.6 of 9 people found the following review helpful. Another "MUST HAVE" for vintage jewelry collectors from Ms Cera, the most respected author on the subjectBy the beady eyeOnce again, the author has struck a home run. This elegant, beautifully-photographed book showcases the best of the best in

vintage costume jewelry. It's well researched and a very interesting read, too. But what else would I expect from Deanna Farneti Cera, the author of the seminal "Jewels of Fantasy"?

A fully illustrated book featuring unique jewelry masterpieces, paying attention to the creators, designers and manufacturers.

About the Author Deanna Farneti Cera, international expert on European and American costume jewellery, lives and works in Milan. She is an author, a leading researcher in the history of jewellery in fashion, and has curated exhibitions for several museums worldwide.
