Alan J. Santa Cruz, Joan C. Santa Cruz, Jane B. Shambra : Biloxi (Postcard History) before purchasing it in order to gage whether or not it would be worth my time, and all praised Biloxi (Postcard History):

Biloxi a wonderful place in MississippiBy pattifulliloveThe Biloxi postcard book takes you back in time and reveals the natural wonders of a wonderful town. Since Katrina, it has become even more important that such images are still with us and that rather than barren destruction, we are able to see what this town was, and in many ways, is again!

The city of Biloxi is rich in history spanning over 300 years. From its founding days as the first capital of the

Louisiana Purchase to becoming Seafood Capital of the World and a world-class tourist destination in Hurricane Alley, many transitions have taken place. Every 30 or so years through the 20th century, Biloxi and the surrounding areas have experienced opportunities to start anew. This volume offers a look at the first eight decades of the last century through some of the postcard images from that time. All in all, Biloxi and the Mississippi Gulf Coast have kept an eye on the past while rebuilding and looking to the future.

About the Author Alan J. and Joan C. Santa Cruz have been collecting local postcards for over 25 years and have been active in historical and genealogical endeavors of Biloxi and the Mississippi Gulf Coast. Jane B. Shambra, coauthor of *Images of America: Biloxi*, is local history and genealogy librarian of the Biloxi Public Library and the Harrison County Library System.
