fran cooper-saunders : Birds of Paradise - Feathers and Fairy Tails before purchasing it in order to gage whether or not it would be worth my time, and all praised Birds of Paradise - Feathers and Fairy Tails:

0 of 0 people found the following review helpful. Great Stories for Children of all agesBy bookloverDelightful stories that both teach and entertain children. Good read to for young ones and good teaching tool for parents and teachers.

The paradise stories convey a message to children that capture what it means to live as part of a big world where what

we do carries important influence to those around us, every day. Each small action effects the characters in big ways.
