S.P. Fjestad : **Blue Book Pocket Guide for Winchester Firearms Values** before purchasing it in order to gage whether or not it would be worth my time, and all praised Blue Book Pocket Guide for Winchester Firearms Values:

1 of 1 people found the following review helpful. Provides Additional Information that the Blue Book of Gun Values By Steve J. Coughlin Provides Additional Information that the Blue Book of Gun Values doesn't, however the gun values noted here may not represent what buyers and sellers use and that is the 34th Edition Gun Value book. Knowing the details of what you have and what makes your gun different than the seller at a gun show is what you need to know. This helps clarify those differences. 0 of 0 people found the following review helpful. A concise, must have Winchester guide. By Gary Lavorgna Handy, compact guide if you are looking to pick up a used Winchester Rifle. I had Staples make it into a spiral bound book to make it easier to read. Lots of information and serial numbers for most models. 1 of 1 people found the following review helpful. Loaded with hard to find information. By Daniel D. Foreman Very thorough and loaded with valuable information. Well organized. The serial number and production date section was very informative and helpful.
