Makarova I bought this calendar as a gift for my daughter, an aspiring creative cook, and she is enjoying it in her kitchen. It's bright, colorful, with interesting selection of artwork and good quality. I would definitely recommend it to anyone. 0 of 0 people found the following review helpful. Always a fun calendar with great pictures By day tripper I love to get "food related" calendars for my kitchen. Usually it is either Bon Appetit or a Fat Chef one. Both are wonderful and colorful. Also, having been to France, this one is especially appropriate. 0 of 0 people found the following review helpful. Kitchen calendar By S. Storey I use this calendar, very appropriately in my kitchen. The pictures are very brightly reproduced and adds a great splash of color.

Delightful, brightly colored Art Deco reproductions of food-inspired, vintage memorabilia for people who just love to be in the kitchen. Bon Appetit will enhance any room in the home with a touch of nostalgia and European style.
