Was a valuable tool in establishing my price for each character.14 of 15 people found the following review helpful. boyds bears (plush)By A CustomerI am new to the collecting world of boyds

bears. I saw this book at a store that mainly sold boyds bears. This book was very helpful in showing me what bear was of value etc. They have a handy reference guide in the back of the book that helps you find the bear you are looking for by name. Its great!5 of 5 people found the following review helpful. Boyd's value guide by Checkerbee PublishingsBy Cindy HorsleyThis guide is the best as far as I'm concerned I depend on this for my collection and my bids for auctions. The pictures are very lifelike, this guide is very informational. This guide is as close to complete as I've seen. I highly recommend this book to anyone interested in collecting Boyd's Bears.

This book contains large, colour photos of every Boyds Plush Animal and a section on exclusive pieces.
