All boys love this even if they have grown into geezers!By DarMy son-in-law was an Eagle Scout and is getting ready to take his 5 and 4 year-olds on their first camping trip. They have been preparing and looking forward to it all winter. I remember how much I enjoyed Boy's Life when I was a kid and took a chance that the grandkids would, too. They just loved it! They report what they have learned from the various articles and are eager to try out their skills. Their dad loves it as much as I thought he would.0 of 0 people found the following review helpful.
