Charlene Tarbox : Bracelets Tattoos (Temporary Tattoos) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bracelets Tattoos (Temporary Tattoos):

6 of 6 people found the following review helpful. Cute for kids By dsidhe This Dover Little Book has six bracelet designs, ranging from jewels to flowers. They're all suitable for children's wrists in length, a little over five inches. My cousins (six and seven years old) adore them. Like all Dover books, they're a nice treat for No-Special-Occasions.

Six attractive designs — for applying to wrists or ankles — display graceful floral patterns, sparkling weaves, and

more in a rainbow of glowing colors.
