Bob King : Brescia Bugatti before purchasing it in order to gage whether or not it would be worth my time, and all praised Brescia Bugatti:

0 of 0 people found the following review helpful. all you need to know about a gentleman racing Buggatti's ...By Fergusall you need to know about a gentleman racing Buggatti's. I have listened to Bob's many stories on and off the track and wished to have his book as a memory of his exploits...0 of 0 people found the following review helpful. Good Brescia overviewBy JanThe Bob King Brescia book looks splendid. However by the time is was originally published is did notgive information about all Brescia's known at that moment.For Bugatti enthusiasts however this book is a must.

The history of the Bugatti really begins with the development of the successful 16-valve Type 13 model dubbed 'Brescia' after its triumph in the 1921 Voiturette race in Brescia, Italy. The victory lead to Bugatti's incredible racing success throughout that decade and the next. The Brescia Bugatti, written by renowned Bugatti enthusiast Bob King, provides an in-depth account of the origins, evolution and success of what is arguably the most revered car in early motor racing history. Including previously unpublished Bugatti factory data, this definitive, superbly illustrated book

documents all surviving vehicles with current details and photographs. This deluxe cloth-bound limited edition is printed on high-quality art paper and comes with an imitation 1966 racing competitor's bookmark listing individual edition number. Only 700 copies were printed.
