George L Gurney, SSgt Brick Manly : Brick Manly's cookbook for the cullinarily challenged before purchasing it in order to gage whether or not it would be worth my time, and all praised Brick Manly's cookbook for the cullinarily challenged:

1 of 1 people found the following review helpful. Better than chickenBy R. HaldemanI picked up Gurney's book for the humor and illustrations and tried a couple of recipes for the hell of it. They were actually pretty good in a simple "manly" sort of way. Enjoyed the book and would make a good gift item.

Humorous cookbook with guided steps for shopping, preparing, and cooking. Great gift for all your challenged loved ones.
