By Alex This is a very nice book with helpful tips, building instructions for cool fan-created models, and pictures of events.

BrickJournal Compendium, Volume Four, compiles the final two digital-only issues (#8-9) of the acclaimed online magazine for LEGO enthusiasts of all ages for the first time in printed form since their creation in 2007! This FULL-COLOR book spotlights all aspects of the LEGO Community, featuring: Coverage of a Lego art show, building a larger-than-life Yoda, interview with LEGOLand builder Guy Bagley, how to build a Droid Starfighter, a Lego PokÃ©mon character gallery, a look at the Power Functions electric building system, an interview

with a top LEGO Star Wars set designer, a visit to an amazing Star Wars LEGO display in the United Kingdom, coverage of the 75th Anniversary celebration at the LEGO headquarters in Denmark, interviews with other builders of all types, instructions to build 5 different models (including a Super Star Destroyer from Star Wars), new set reviews, building instructions and techniques, and more! Edited by Joe Meno.
