We enjoyed looking at it together, and while it isn't a large book, it is a great "table book" to be placed on a dressing table or jewelry armoire.1 of 1 people found the following review helpful. Great book for brooch lovers!By bethMy mom collects brooches and she found the book fun and informative! The book has great colored pictures. It talks about brooches from different time periods and it even has a chapter on caring for your brooches.1 of 1 people found the following review helpful. Beautiful Book!By TrojanwifeThe Junior League of Santa Barbara Design House had this beautiful book featured on a coffee table. It's the prettiest book to page through and does make a lovely table top book. Frivolous and fanciful with nice little historical notes.

Brooches:Timeless Adornment is the first book on the subject of vintage and contemporary pins and brooches. Beginning with an illustrated history of how this jewelry form has evolved—from Roman fibulae to scatter pins and starbursts—this gorgeously illustrated volume presents more than 175 of the best examples of fine, costume, and artisan jewelry made by top designers, among them Van Cleef Arpels, Cartier, Georg Jensen, and Ted Muehling. Fashion stylists, celebrity collectors, and jewelry experts share their enthusiasm for the brooch and offer their ideas on

how to accessorize with favorite pieces. These dazzling photographs show the jewelry as adornments to stunning jackets, dresses, and coats, and demonstrate how this piece has become a fabulous style statement. Practical information about storing, cleaning, and repair complete this indispensable resource for jewelry fans.

"Rizzoli's elegant book dedicated solely to brooches and pins...provides vintage and contemporary pieces and includes tips from stylists on where and how to stick them on." ~Elle"Fine and costume vintage and contemporary pins sparkle on the pages..." ~Harper's Bazaar"Definitely a worthy edition to any jewelry-lover's library."~Lohud.com"...offers a renewed understanding and appreciation for the very personal nature of a pin." ~NewYorkSocialDiary.comAbout the AuthorLori Ettlinger Gross is a leading jewelry historian and the estate jewelry editor for The Rapaport Diamond Report.
