**Clinton Derricks : Buy Golly!: A History of Black Collectables** before purchasing it in order to gage whether or not it would be worth my time, and all praised Buy Golly!: A History of Black Collectables:

3 of 3 people found the following review helpful. A beautifully illustrated and authoritative history of the GolliwogBy tiggerzMake no mistakeThis book is not only for Golliwog lovers.It is a fascinating history of this controversial black doll played out against the larger forces of racism and social changeThe author, Clinton Derricks, has meticulously researched his topic. That he is a Black American only adds to the book's authenticity.The lavish illustrations and the obvious love and care that have gone into its production make this book an essential for all golliwog collectors.I came across this book when I was researching the history of the golliwog and I believe it is the only book currently written on this subject2 of 2 people found the following review helpful. Buy Golly for JolleyBy Elizabeth JolleyI adore Gollies and have quite a few so when this book came out I just had to have it. Clinton has done a really good job putting this book together I have spoken to him a few times about his collection.For anyone who likes Gollies I can recommend this book 100%

Clinton Derricks is an authority and avid collector on golliwog dolls, which are very popular in England. Many view golliwogs as an important segment of black social history in the western world; while others may consider that they perpetuate a negative image of blacks in society.

About the Author Clinton Derricks is an actor, singer and producer who lives in Los Angeles. His acting credits are extensive and include the hugely popular drama series Roots, as well as theatre credits on Broadway and London's West End. He has been collecting black collectables for over fifteen years and is widely recognised as a world authority on the subject. He has written numerous articles on black collectables and the relevance of black collectables to the black community for newspapers and magazines. He has also appeared on television in the US in a debate on the political implications of these black collectable items.
