Whitman Publishing : Canadian 25 Cent Folder #6, Starting 2010 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Canadian 25 Cent Folder #6, Starting 2010:

2 of 2 people found the following review helpful. Holds the quartersBy kevin zahmHolds the quarters. Not a lot of details on the inside about the varieties and mint marks etc, and I think they could have spaced the holes a little better to fit more coins in the same size book.

This durable, attractive folder comes in the traditional "Whitman blue." Its cover shows an artfully rendered image of the obverse of a Queen Elizabeth II quarter dollar. Inside is a narrative describing the coins and their place in Canada's rich and fascinating numismatic history. The folder has holes for each date as well as popular varieties. Simply place the coin with one edge tipped into the hole, and then press the high edge down. Feel the snap? It's locked in!
