**Whitman Publishing : Canadian Dollar Folder #4, 1987-2008** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Canadian Dollar Folder #4, 1987-2008:

0 of 0 people found the following review helpful. wish I had more dollars By Michael Luebert This Canadian Dollar coin folder is good. I need a lot more Canadian dollars to fill it. I Like it!

This durable, attractive folder comes in the traditional "Whitman blue." Its cover shows an artfully rendered image of the reverse of a 1988 "Loonie" dollar. Inside is a narrative describing the coins and their place in Canada's rich and fascinating numismatic history. The folder has holes for each date as well as popular varieties. Simply place the coin

with one edge tipped into the hole, and then press the high edge down. Feel the snap? It's locked in!
