This durable, attractive folder comes in the traditional "Whitman blue." Its cover shows an artfully rendered image of the reverse of a Queen Elizabeth II small cent. Inside is a narrative describing the coins and their place in Canada's rich and fascinating numismatic history. The folder has holes for each date as well as popular varieties. This folder will replace item 0794824803. Simply place the coin with one edge tipped into the hole, and then press the high edge down. Feel the snap? It's locked in!
