Whitman Publishing : Canadian Two Dollar Folder #1, Starting 1996 before purchasing it in order to gage whether or not it would be worth my time, and all praised Canadian Two Dollar Folder #1, Starting 1996:

This durable, attractive folder comes in the traditional "Whitman blue." Inside is a narrative describing the coins and their place in Canada's rich and fascinating numismatic history. The folder has holes for each date as well as popular varieties. Simply place the coin with one edge tipped into the hole, and then press the high edge down. Feel the snap? It's locked in!
