Lou W. McCulloch : Card Photographs: A Guide to Their History and Value before purchasing it in order to gage whether or not it would be worth my time, and all praised Card Photographs: A Guide to Their History and Value:

This comprehensive work will be appreciated by amateur and professional collectors as a long awaited composite guide to card photographs spanning nearly a century of examples dating from salt prints to picture postcards. The over three hundred illustrations are accompanied not only with value and dating guidelines, but also historical background on the development of the various card types. Included are family portraits, famous personalities, the frontier West, Civil War scenes, theatrical cards, oddities, foreign landscapes, and studio novelties. In fact, the profusely illustrated

text is a documentary of a bygone era.
