Ellen Schroy : Carnival Glass: Warman's Companion before purchasing it in order to gage whether or not it would be worth my time, and all praised Carnival Glass: Warman's Companion:

0 of 0 people found the following review helpful. Do not have oneBy Bill HunnicuttI am going to need more information. This was not a huge help.2 of 2 people found the following review helpful. Carnival Glass Indentification GuideBy mtot7359As in bird and flowers guides for the naturalist, this book helps the glass collector to identify the

patterns of carnival glass. Plus, the glass collector can peruse the world of carnival glass in one place, before deciding to collect those patterns, shapes or colors that he or she likes the most. 2 of 2 people found the following review helpful. Just what I was looking for! By craftysharon19 I have just recently started collecting carnival glass and was looking for a book to help me identify exactly what I was looking at. Thanks!

Collectors looking for portability and abundant information about their favourite collectible glass, for a great price, will find that and more in "Carnival Glass". Collectors of the colourful, iridescent and stunningly beautiful glass will enjoy making-on-the-spot decisions at auctions, shows and shops, with the help of this new guide. This book: features 250 classic and popular patterns, giving collectors of "poor man's Tiffany" a beautiful and comprehensive reference; includes 3,500+ listings with historic information, maker marks, detailed descriptions and current pricing collectors can use to accurately identify pieces; and illustrates the stunning craftsmanship and artistic design of these spectacular collectibles in 875+ colour photos. Beginning collector to seasoned dealer, anyone with a passion for carnival glass will increase knowledge and collecting success with this book.
