Rosemerry Wahtola Trommer : Celebration: More Christmas Angels (Celebration (Red Rock Press)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Celebration: More Christmas Angels (Celebration (Red Rock Press)):

1 of 1 people found the following review helpful. Hardly a book...By FahtimahYes, the graphics are lovely, and the sentiments as well, but for the price all you really get is a thick greeting card. Too expensive to send as such.

This brief, delightful history of Christmastime angels looks at the depiction of their gossamer loveliness—from their halos to the tips of their wings and rich, flowing robes—on old holiday cards, and considers, too, both their musical assignments and their practical seasonal tasks. Any busy person who could use a personal angel to help prepare for Christmas will love this book.
