Carolyn Childers : Prestigious Jewelry before purchasing it in order to gage whether or not it would be worth my time, and all praised Prestigious Jewelry:

5 of 5 people found the following review helpful. A glorified auction catalogBy A CustomerNot a great book, not really a good one. Poor editing and proofing. Ms. Childers should spend some time with Daniela Mascetti -- and a spelling tutor. A hardcover attempt in a softcover product.1 of 4 people found the following review helpful. Beautiful historical reference bookBy A CustomerEvery person who loves jewelry should own this beautiful and well-written book on the most magnificent jewels in the world.

A reference for all jewellery enthusiasts This publication features chapters on gemstone origin, cutting and setting, and the use of precious metals. Interviews with industry leaders, and a review of the finest luxury jewellery collections in the world complete the volume.
