Not quite what I was looking for. Wanted images to compare, if you want a price guide and know what is being listed this book will work.

Three well-known books on miniature lamps are the progenitors of this book, which is a current Price Guide for the lamps shown in *Miniature Lamps* by Frank R. and Ruth E. Smith, *Miniature Lamps II* by Ruth Smith, and *Miniature Victorian Lamps* by Marjorie Hulsebus. The information is up-to-date and relates what the charming miniature lamps are worth today.
