(author) J.C.H. King (author) Hermione Waterfield : Provenance: Twelve Collectors of Ethnographic Art in England, 1760-1990 (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Provenance: Twelve Collectors of Ethnographic Art in England, 1760-1990 (Paperback) - Common:

Detailed biographies describe the lives of twelve collectors of tribal art in Britain, active between 1770 and 1990. These men were rarely field collectors and only occasional travellers, but they were vigorous hunters, for whom the pursuit, handling and possession of such objects was what mattered. The climax of the period of collecting from around 1880 to 1960 coincided with the maximum extent o
