Randall Knife Book.By R. M. EselgrothThis book is very interesting, as a Randall knife user I enjoyed the visual history. Nice to see the knives that I had heard of, all Randall owners should have this on their

book shelve.

This first-ever publication offers the reader a colorful and interesting guide to Randall knives spanning WWII, the Korean War, and the Vietnam War, which involved American Soldiers, Sailors, Airmen and Marines. Randall Fighting Knives in Wartime contains many never-before-published full color photos of rare Randall-made knives. Pictured alongside the knives is a range of distinctive militaria, separating this book from other publications. A descriptive narrative and specific technical data"" accompanies each photo, linking the Randall knives throughout each war in the book. A Collector's Value Guide rounds out this book, giving the reader an at-a-glance comparison of the value of each knife.
