It showed details of Victorian clothing which helped me to design and sew several Victorian replicas to wear. The book not only includes Dresses and Hairstyles, but Shoes, Hats and Coats. Clear details

and a nice variety of images.

Crisp, elegant cuts selected from rare issues of Harper's Bazar, 1869 to 1896. Hats with veils, shawls, tight-waisted gowns, voluminous cloaks, many other garments modeled by handsome women. Ideal for adding a touch of Victorian charm, nostalgia to a wide range of art and craft projects.
