John P. Langellier : Redlegs: The U.S. Artillery from the Civil War to the Spanish American War, 1861–1898 (G.I. The Illustrated History of the American Solder, his Uniform and his Equipment) before purchasing it in order to gage whether or not it would be worth my time, and all praised Redlegs: The U.S. Artillery from the Civil War to the Spanish American War, 1861–1898 (G.I. The Illustrated History of the American Solder, his Uniform and his Equipment):

0 of 0 people found the following review helpful. Five StarsBy CustomerExcellent book!0 of 0 people found the following review helpful. Five StarsBy Charles T. McKennaexcellent book in excellent condition.0 of 0 people found the following review helpful. Great referenceBy D. WilliamsonGreat book for uniform reference and accoutrements. Really detailed work of the time line from CW to SAW. Nicely done.

This volume in the popular G.I. series illustrates a much-neglected aspect of American military history – the U.S. Army artillerymen, named redlegs after the red stripes on their trousers. The photographs, most of them rarely seen in other sources, range from the Civil War and the campaigns against the American Indians through to the Spanish-American War. Artillery was a vital arm and proved its worth in all of these diverse theatres of war; artillerymen served as part of mobile columns, in sieges and blockades, and as garrisons in remote frontier forts. This handy guide includes superb images and descriptive captions detailing the appearance of the men, their uniforms and equipment, and the ordnance used over the years.

A curious and interesting book with a priceless visual of information. (Miniaturas JM)About the AuthorJOHN P. LANGELLIER is the author of several publications on the life and times of the U.S. soldier including Billy Yank: The Uniform of the Union Army, 1861-1865 and Terrible Swift Sword: Union Artillery, Cavalry and Infantry, 1861-1865.
