Rembrandt : Rembrandt: 16 Art Stickers (Fine Art Stickers) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rembrandt: 16 Art Stickers (Fine Art Stickers):

0 of 0 people found the following review helpful. i like themBy Gabe Jewellwhen i bought these for a few bucks, (i bought 2 books) i hadn't read the description closely enough, and i thought these were postcard size, 5"x4" pictures. they're like, 1 1/2"x2" stickers, really little. they should spring the few bucks more to make 16 (or more) postcard sized stickers, i really mean it! but i like these stickers and i love Rembrandt! i was thinking one might look good on a little nightlight i have.

Spectacular reproductions in miniature of this artist's finest works, among them The Holy Family, A Woman Bathing, Two Africans, Self-Portrait, and The Syndics. Sure to add a decorative touch to letters and gift packages, these splendid images will enhance almost any flat surface. 16 full-color stickers on 4 plates.
