From Crown Publishers, Inc. NEW YORK : Reproducing Antique Furniture [Hardcover], Franklin H. Gottshall, Sixth Printing, 1971 before purchasing it in order to gage whether or not it would be worth my time, and all praised Reproducing Antique Furniture [Hardcover], Franklin H. Gottshall, Sixth Printing, 1971:

0 of 0 people found the following review helpful. An excellent book but not for the noviceBy Kindle CustomerAn excellent book but not for the novice. All the plans are there but you need at least a little experience to read between some of the lines.0 of 0 people found the following review helpful. An excellent Gottshall book.By Rick E.A few years ago I built one of the examples provided in the this book, namely the Block Front chest-on-chest on page 138. See enclosed picture. I found that I could work from the dimensions provided which were accurate. All in all it was a great experience building this piece and I plan to do one again soon. I would recommend this wonderful book to anyone who loves this type of period furniture. Rick0 of 1 people found the following review helpful. Five StarsBy Al DornGood product. Good transaction.

Plans for building furniture based on antique designs
