**Kathy Barna : Revlon Dolls and Their Look-Alikes** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Revlon Dolls and Their Look-Alikes:

0 of 0 people found the following review helpful. The book is wonderful, it is in perfect condition By Customer  
The book is wonderful, it is in perfect condition, and clean. The book gives a history of the Revlon Dolls, and describes the different sizes and outfit styles with words as well as very colorful and clear photos. I love this book, since I have collected twelve Miss Revlon's of different sizes. The seller was so nice to include a small book as well. Thank you so much, a Wonderful Revlon Doll book!

GREAT AND INFORMATIVE. 1 of 1 people found the following review helpful. This is a great reference book for doll collectors in general and for ... By Ellen L. Taylor  
This is a great reference book for doll collectors in general

and for those who love fashion dolls in particular. Well researched and with an enormous amount of color pictures that help you identify dolls you own or might want to buy. I cannot recommend it higher.
