From Brand: Lyons Press : Rocky Mountain Trout Flies: A Postcard Book (Postcard Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rocky Mountain Trout Flies: A Postcard Book (Postcard Books):

Photographs and tying recipes for 20 of the most popular and effective trout flies in the Rockies.

From the Back Cover Anglers travel far and wide to fish the great trout streams and rivers of the Rocky Mountains – with trout flies like the Elk-Hair Caddis, the South Branch Chub, and A. K. Best's Green Drake. These twenty postcards detail the recipes for each of these flies, selected to dependably fill out the angler's fly boxes. Each postcard is yours to treasure, to share, or to send.
