David Sear : Roman Coins and Their Values, Vol. 1: The Republic and the Twelve Caesars 280 BC-AD 96
before purchasing it in order to gage whether or not it would be worth my time, and all praised Roman Coins and Their Values, Vol. 1: The Republic and the Twelve Caesars 280 BC-AD 96:

2 of 2 people found the following review helpful. Bought as a giftBy J.C.ShopperI bought this book as part of a series for someone else who is into the culture of ancient Rome. The books by Sear is considered the best reference book regarding ancient Roman Coins. The pages(of hard cover book) itself are of the best bond of paper available. It is not a bargain book type found at Barnes Noble's bargain counters. This is a collectible book made to last.1 of 1 people found the following review helpful. A must for ancient Roman coin collectors.By MikeNJust what serious collectors need to manage their ancient coin collecting activities. Very detailed yet super easy to navigate through.1 of 1 people found the following review helpful. Five StarsBy CustomerOutstanding price guide.

The original edition of Sear's Roman Coins and Their Values was published by Seaby thirtysix years ago and has been through four revisions (1970, 1974, 1981 and 1988). However, the publication of the 'Millennium Edition' of this popular work makes a radical departure from previous editions.
