Louise Irvine : Royal Doulton Bunnykins: Collectors Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Royal Doulton Bunnykins: Collectors Book:

0 of 0 people found the following review helpful. Five StarsBy kenneth foggieVery satisfied with the book arrived in great condition 0 of 0 people found the following review helpful. Five StarsBy Lorna SmithBunnykins rule!3 of 4 people found the following review helpful. Hoping For More Figures InformationBy A CustomerI wish I had read the first review of the book more closely. I have just begun to collect Bunnykin figures and hoped to get a book with more information on the different figures. This book only has four pages of figures listed and this includes information for Shapeware. It is quite helpful in letting me know that there is so much more out there in the Bunnykins world. If you

wish to collect ALL aspects of the Bunnykin world, then this book is for you.
