Alexi Karpun : Russian Jewellery. Mid - 19th Century - 20th Century before purchasing it in order to gage whether or not it would be worth my time, and all praised Russian Jewellery. Mid - 19th Century - 20th Century:

From the collection of the All-Russian Museum of Decorative-Applied and Folk Art in Moscow. This collection will introduce readers to ancient and modern Russian jewelers. The album also covers one unique aspect of modern Russian jewelry: the fact that most pieces are specially produced for exhibitions or collections, and are viewed purely as works of art. 148 reproductions.
