**Lynn Stone : Sanibel Island (Voyageur Wilderness Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sanibel Island (Voyageur Wilderness Books):

0 of 0 people found the following review helpful. Awesome bookBy toni boldyGreat book, great condition, great information, awesome color pictures. Easy reading. Makes you want to be there now! Looking forward to sand and shells.2 of 2 people found the following review helpful. Good transactionBy Lindy S.The product was in good condition and arrived on time(before we went on vacation!) The book content was rather one dimensional but nice pics. Only fair with the actual trip and dealing with the area. So, great photos! best part.

Hit the road with Voyageur Press. From sea to shining sea, Voyageur has the illustrated travel and regional interest titles your customers want, whether for travel planning or keepsake. So, plan ahead and create a travel show-case and

promotion--including our books--geared towards the summer traveler, and you won't be disappointed with the results.

"A beautifully illustrated account of one of Florida's favorite islands. . . You will treasure this book." -- Florida Naturalist
