Five Stars By Joe Perfect for reference. 0 of 0 people found the following review helpful. the world of toys By HDV Not for me, I'm more of a doll collector, very small section for dolls. Looks okay for toys - ? I wouldn't know. 2 of 4 people found the following review helpful. Nice Toy Reference By C. E. Lawson I have found this book to be very helpful in my study of toys. I am a novice and have learned what to look for in buying a modern or antique toy. This book has saved me from buying reproductions and how to gauge a price for the real thing. I also just like looking through it, takes me back to my childhood and revisit

Christmas past. Nice reference or just fun reading. Recommend.

Readers will be pleasantly surprised to find that this year's Schroeder's Collectible Toys, Antique to Modern, is now featured for the first time in full color! That's right, all the things you love about it PLUS it's now filled with sharp color photos. It still boasts values for over 20,000 toys in every category imaginable - action figures, cast-iron and paper lithographed toys, wind-ups, Barbie® dolls, model kits, diecast banks, games, playsets, character toys, and many other categories of children's playthings dating from the nineteenth century to the twenty-first. Schroeder's Collectible Toys has been highly acclaimed and enthusiastically accepted by toy collectors and dealers all over the country for more than 12 years! Backing the editors is a fantastic team of researchers and advisors who carefully check every line for up-to-the-minute accuracy. This easy-to-use guide also lists reference books, clubs, and newsletters that cover specific fields of collector interest. That's why Schroeder's Collectible Toys is the #1 book the toy field has to offer. And with the addition of bright color, it is sure to be even more popular with collectors. 2008 values.

Of all the books in our library ~ this one never gets 'recycled!' Wonderful sou[r]ce book with excellent information. This book sells out fast in our area! Glad to know that we can now order it on line!About the AuthorCB Editors
