Works greatBy Justen A BakerPerfect for keeping track of what stamps you have. It works great for me because I collect 1960 and earlier.3 of 5 people found the following review helpful. Scott Pocket Stamp Book US 2009By F. FunkThis book is a must have if you are interested in US stamps. It's just right to take along when you go to stamp shows or to a store to purchase stamps you want to collect. It's descriptive and the color photos are awesome. It provides the basic information and is a great way to catalog your collection. It's also a great tool to have when bidding on auctions.

Convenient pocket size catalogue that features listings and values for more than 4,000 stamps, plus full color stamp illustrations all identified by Scott Catalogue numbers. Pages designed to be convenient inventory checklist.
