Robert Opie : Scrapbook - The 1910s before purchasing it in order to gage whether or not it would be worth my time, and all praised Scrapbook - The 1910s:

Among the key events of the decade were the coronation of King George V, the suf-fragette movement and the sinking of the Titanic. Above all, however, it was the decade of the Great War and many images reflect the lives of ordinary people in the face of a war which decimated a generation.

About the AuthorSince the 1970s, Robert Opie has amassed an unrivalled collection of packaging and paper materials which are now housed in his museum of packaging in Gloucester. He is the author of numerous publications and has given many talks to schools, as well as on radio and TV.
