Mr Robert E Jagoda : Senzi: A Woman to Remember: A POW Memoir before purchasing it in order to gage whether or not it would be worth my time, and all praised Senzi: A Woman to Remember: A POW Memoir:

0 of 1 people found the following review helpful. Different book in the POW genre. Fascinating.By Alte AdlerA very touching and honestly written book by a very good author. One has to remember, while reading this book, the unsaid fact of being totally at another governments pleasure month after month not knowing ones future.1 of 2 people found the following review helpful. I really loved this bookBy R. W.I really loved this book... It's written simply yet

passionately and tells a touching, sweet, sad and charming story of a young man's unique experience as a WWII POW in rural Germany. I highly recommend this honest and human glimpse into a surprising historic reality. And I noticed the other reviews are on the original publication that you can see here:http://www..com/Senzi-Woman-Remember-Robert-Jagoda/dp/1931055483/ref=sr_1_3?s=booksie=UTF8qid=1404747689sr=1-3

This WW II memoir was written as a tribute to Senzi Markthaler, a young farm woman who took extraordinary risks to ensure the safety and good treatment of 19 American POWs sent to work on farms in the German village of Bebenhausen. Thanks to her frequent intervention on their behalf it is also a celebration of Senzi's ability to achieve peace and understanding between people who are hostile to one another. This is the book that the author promised Senzi more than 60 years ago. It was translated into German, and read aloud to her and her family. Typically, she forgave the author for the book's factual errors, including her age. (She was only 28 at the time, not 40.)
