Louise Allison Cort : Shigaraki: Potters' Valley before purchasing it in order to gauge whether or not it would be worth my time, and all praised Shigaraki: Potters' Valley:

1 of 1 people found the following review helpful. Five Stars By Dr John C weber This was clear and the definitive book on the subject. 1 of 1 people found the following review helpful. Shigaraki is Good Medicine By Claudia J. Poquoc I thoroughly enjoyed the history and photos from ancient examples to the modern contemporary. It's a must for those who love, like myself, collecting Japanese pottery.

This is a study of one of the most influential ceramic traditions to emerge from Japan. It details the site of Shigaraki, its valuable wares and the potters who produced them, from their beginnings in the 10th century, to the present day.

The farmer-potters of Shigaraki, a rural valley outside the ancient capital of Kyoto, have used distinctive local clays to produce fine wood-fired stoneware for over seven centuries. This study brings together all facets of the valley's fascinating political, economic and artistic history to present a comprehensive
