Nick Hahn : The Gun Digest Book of the Remington 870 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gun Digest Book of the Remington 870:

0 of 0 people found the following review helpful. Five StarsBy CustomerVery Nice Book, lots of information, and Great Pics1 of 1 people found the following review helpful. Well Done...By BookLuvr39Excellent book on of an old classic, the Remington 870 shotgun. Well written and beautifully illustrated, it is loaded with interesting historical data on this fine old gun. Highly recommended for those who are interested in the most popular shotgun in American history.1 of 1 people found the following review helpful. Not a manual but historical.By CobraTMI actually. Very historical with some repeat info. Overall quite good. The older advertising that is presented is very interesting. My copy was printed/assembled with the cover upside down and backwards. Seller compensated.

While more than a few gun makers over the centuries have sold guns in numbers that meet the million mark, it's rare to

do so with just a single model. But Remington did it, and they did it with a gun that defines simplicity, reliability, and dependability: the Model 870 shotgun. Now, Gun Digest, in collaboration with noted shotgun author and expert Nick Hahn, brings you a celebration of that one fantastic gun in Gun Digest Book of the Remington 870.

About the Author Nick Hahn is one of today's foremost experts in the world of shotguns, their history, and their applications. He is a leading author on the subject, and his writings appear regularly in Double Gun Journal and American Waterfowler. He also contributes articles to Shooting Sportsman, Sporting Classics, Wildfowl, the Upland Almanac, and Gun Digest.
