Gabriel Austin : The Library of Jean Grolier: A Preliminary Catalogue before purchasing it in order to gage whether or not it would be worth my time, and all praised The Library of Jean Grolier: A Preliminary Catalogue:

1 of 1 people found the following review helpful. An important Introductory StudyBy DrThis is an important Introductory Study.Jean Grolier continues to be keenly studied and I am no expert on Grolier Studies.The book is a priliminary catalogue of Grolier's library.In this it is very helpful as it is referred to in some later study to identify a particular book.The books remain the same, but the book binding research adds detail to our knowledge on this book or that book, or on this binding style or another binding style.There is an introductory Essay :: Jean Grolier and the Renaissance by Colin Eisler.There is a contemporary Reference to Jean Grolier by Elizabeth M HajosThis is followed by the Catalogue of Books From the Library ofJean grolier by Gabriel AustinProvenance is covered in several sectionsAnonymous SalesAnonymous Private CollectionsOwners Past and PresentInstitutional CollectionsReligious HousesThere are some 560 booksThey are listed by titleThis is a very helpful book to have on the shelf if you are interested in Jean GrolierAnother important book is the British Museum exhibition og Bookbindings from the Library of Jean Grolier.This is a major exhibition that featured all Grolier Bindings in the UK and Ireland-- about a quarter of those that still exist

Bembo type; 1000 copies on Curtis rag paper; blue cloth spine and gray cloth sides, upper cover gilt--stamped showing both sides of the 1558 jeton marking the "Reunion du Royaume de France," title gilt-stamped. Designed by

Greta Franzen, set by William Clowes Sons, Ltd, printed by the Halliday Lithograph Corporation, bound by A. Horowitz Son.
