From Little Rock, Ark., Parke-Harper news service : The life story of Albert Pike before purchasing it in order to gage whether or not it would be worth my time, and all praised The life story of Albert Pike:

0 of 1 people found the following review helpful. Needs editingBy William HoslerThe book itself contains much useful information (Although I wonder if some of it wasn't exaggerated to further promote Pikes greatness. The Kindle edition needs editing.0 of 1 people found the following review helpful. Five StarsBy Lucy RoperCertainly worth the price. He was an interesting fellow.1 of 1 people found the following review helpful. Basics on Albert PikeBy Darrell UppIf you are looking for a good introduction to Albert Pike, this is the book to get. It was published at a time when he still existed in living memories. It is a likable book, but it does not possess a great deal of depth of the character or actions of the great adventurer.
