John Axe : The Magic of Merrythought before purchasing it in order to gage whether or not it would be worth my time, and all praised The Magic of Merrythought:

0 of 0 people found the following review helpful. Excellent. Just the information I wantedBy Judith KojetinExcellent. Just the information I wanted.0 of 0 people found the following review helpful. great bookBy Tamra Manninggreat detail on the company MerryThought2 of 2 people found the following review helpful. Informative Book on Merrythought Stuffed AnimalsBy puddinheadBook helped me to be more informative on the various Merrythought products and helped me be more selective on the many varieties available to purchase from E-bay and from sellers' stores.

'The Magic of Merrythought', the book I researched, photographed and wrote in 1984, and which was published in 1986, has enriched my life immeasurably. This book introduced me to Shropshire, which I consider the most

wonderful part of England, and specifically to the Merrythought Company, which will always be the most magical place in the world for me...Merrythought Limited is my best serendipity in over 25 years of researching collectable dolls, teddy bears and other toys. I am proud that my book has played some part in the increased interest that has developed in Merrythought's past among collectors. Merrythought's continued innovation in the production of toys and collectibles that appeal to people more now than ever in its long history has caused an unprecedented event in publishing. Public demand from all over the world, particularly from members of the Merrythought International Collectors Club, has resulted in 'The Magic of Merrythought', which has not been available for years, being reprinted after all this time. -- from the author
